L. Teesey, Esq.,

Trenton, Ont.

Dear Mr. Teesey:

I do not know yet what subject I shall take at Trenton, not am I quite sure as to what train I shall take. If I go from Toronto it will probably be a train that will take me there by the Grand Trunk in time for your evening meeting. If I come from the East, as may possibly be the case, it may probably be one of the Grand Trunk afternoon trains. However, I will let you know later.

Yours sincerely,

President.
